15 History

The foundation of this trust was laid in 2008 by some leading personalities and well wishers of the society. Right from the beginning the trust has worked for the un privileged people of the society as well as the town. This trust has sent few girls for the GNM and ANM courses to Karnataka. In those days GNM and ANM colleges were very few and expensive in Gujarat. Over the years we have worked for the women. Office bearers visited small and medium industrial areas and got some job work to help women. Right now we are having a computer centre and we are running that centre with full capacity of 35 students per batch. We are also conducting exams which help students to get admissions in the 11 - 12th science courses at Bharuch with no cost. We are also conducting competitive exam preparation classes at our centre. We've completed one batch of 30 students for GPSC examination. We are also conducting classes for JEE and NEET. We helped un privileged women to get sewing machine from government schemes.
